Hiring Manager
Bank Australia
Melbourne CBD, VIC

Dear Hiring Manager,

I am writing to apply for the Customer Service Consultant position at your Melbourne CBD branch. While my background is in hospitality and retail rather than banking, I bring a genuine track record of customer service, cash handling, and building relationships with the people I serve — and I am drawn to Bank Australia's purpose-driven, community-focused approach to banking.

Leading the Shisha Lounge in Footscray on my own, I handled cash transactions and customer relations daily, building a strong repeat customer base through consistent, attentive service. Across my roles at El Giza Bar and Restaurant and in retail settings, I have developed clear communication, the ability to prioritise under pressure, and a habit of putting the customer's needs first. I do not currently hold FSRA Tier 2 accreditation, but I am a fast learner and would welcome the opportunity to work towards it.

I hold full Australian working rights as an Australian citizen and am comfortable with branch-based, face-to-face and phone-based customer service. I would welcome the opportunity to bring my reliability and people skills to the Bank Australia team.

Thank you for considering my application. I look forward to the opportunity to discuss this role further.

Kind regards,
Passang Tamang
