Hiring Manager
Sofitel Melbourne on Collins
Melbourne, VIC

Dear Hiring Manager,

I am writing to apply for the Concierge All-Rounder position at Sofitel Melbourne on Collins. I am drawn to the variety of this role — moving across Front Office, Concierge, Guest Relations, and Food & Beverage — because my own hospitality background has been exactly that varied, and I enjoy the pace of switching between guest-facing tasks while keeping standards high.

Leading the Shisha Lounge in Footscray on my own, I managed guest relations, cash handling, and problem-solving single-handedly, day to day, without anyone else on site to rely on. At El Giza Bar and Restaurant, I prepared drinks and food and delivered customer service in a fast-paced setting while serving alcohol responsibly. Both roles required the composure, organisation, and genuine care for guest experience that a luxury property like Sofitel expects.

I hold a current RSA, Food Safety/Handling Certificate, First Aid Certificate, and National Police Check, along with full Australian working rights as an Australian citizen. I would welcome the opportunity to discuss how my hospitality experience could contribute to the guest experience at Sofitel.

Thank you for considering my application. I look forward to hearing from you.

Kind regards,
Passang Tamang
