Hiring Manager

Cirka

Melbourne CBD, VIC

Dear Hiring Manager,

I am writing to apply for the Full-Time Cleaning Supervisor position (3:00pm–10:36pm) in Melbourne CBD. I have several years of hands-on cleaning and hygiene maintenance experience across commercial and hospitality settings, plus a proven record of independently managing full operations from start to finish, and I am confident I can take on the added responsibility of a supervisory role on your team.

In my current role at Tradeflex, I maintain cleanliness and presentation standards across multiple commercial office sites, lead my own workload to meet strict deadlines, and follow OH&S protocols without supervision. Before that, I was solely responsible for hygiene and cleaning standards at a bar and restaurant, and I led a venue I ran entirely on my own — alongside opening and closing, stock, cash handling, and customer service — which required the same organisation, accountability, and problem-solving that a supervisor needs to lead a site and team without someone checking in on every task.

I hold a current First Aid Certificate, National Police Check, RSA, and Food Safety/Handling Certificate, and I am available and comfortable working the advertised shift hours. I would welcome the opportunity to bring my reliability and hands-on experience to your team.

Thank you for considering my application. I look forward to the opportunity to discuss this role further.

Kind regards,

Passang Tamang
