Hiring Manager
Crowne Plaza Melbourne
Melbourne, VIC

Dear Hiring Manager,

I am writing to apply for the Guest Service Agent position at Crowne Plaza Melbourne. I understand this role is about being the warm welcome that sets the tone for a guest's entire stay, and that is exactly the kind of service I have built my experience around — staying easy to talk to, solving problems on the spot, and making sure every interaction leaves a good impression.

Leading the Shisha Lounge in Footscray on my own, I handled cash transactions, guest relations, and day-to-day problem-solving without anyone else on site, which built the same composure and attention to detail needed to check guests in and out smoothly and handle their requests. At El Giza Bar and Restaurant, I delivered customer service in a fast-paced environment while serving alcohol responsibly and maintaining presentation standards. I am comfortable with night, weekend, and holiday shifts, and I bring a genuine, friendly manner to guest interactions.

I hold a current RSA, Food Safety/Handling Certificate, First Aid Certificate, and National Police Check, along with full Australian working rights as an Australian citizen. I don't have a full year of formal front desk experience, but I believe my hands-on hospitality background and comfort taking ownership without supervision make me a strong fit, and I'd welcome the chance to prove that in person.

Thank you for considering my application. I look forward to the opportunity to discuss this role further.

Kind regards,
