Hiring Manager

Gordon Brothers Industries (Johnson Controls)

Melbourne, VIC

Dear Hiring Manager,

I am writing to apply for the Administration Assistant position supporting GBI's service department in Melbourne. While my background is not in a traditional office setting, I bring genuine hands-on experience with the core of this role: handling customer enquiries, reconciling cash and stock, keeping accurate records, and juggling competing priorities without anyone checking in on me.

Running the Shisha Lounge in Footscray on my own, I managed stock control, cash handling and reconciliation, and day-to-day customer enquiries single-handedly, which built the same attention to detail and follow-through this role calls for in raising job requests, issuing invoices, and maintaining service records. In my current role at Tradeflex, I coordinate my own schedule across multiple sites and consistently meet deadlines with no supervision. I am comfortable with phone-based enquiries, comfortable with everyday office software, and committed to learning the specific systems your team uses.

I don't have prior experience in a formal administration role, but I am a fast learner with a strong service mindset, and I would welcome the opportunity to bring my reliability and organisational discipline to the GBI team. I hold full Australian working rights as an Australian citizen.

Thank you for considering my application. I look forward to the opportunity to discuss this role further.

Kind regards,

Passang Tamang
