Hiring Manager

[Company Name]

[Suburb], VIC

Dear Hiring Manager,

I am writing to apply for the **[Position Title]** position at **[Company Name]**. I have hands-on experience across hospitality, retail, and facilities cleaning, built on strong communication, reliability, and the ability to take full ownership of a role without supervision — qualities I understand matter for this position.

Leading the Shisha Lounge in Footscray on my own, I managed full day-to-day operations single-handedly — opening and closing, stock, cash handling and reconciliation, and customer relations — with no manager or team on site, which built strong organisation and problem-solving skills. In my current role at Tradeflex, I lead my own schedule across multiple commercial sites and consistently meet strict deadlines with no supervision. Across my hospitality roles, including El Giza Bar and Restaurant, I have delivered consistent, friendly customer service in fast-paced environments while maintaining high presentation and hygiene standards.

I hold a current RSA, Food Safety/Handling Certificate, First Aid Certificate, and National Police Check, along with full Australian working rights as an Australian citizen. I am a fast learner, comfortable picking up new systems, and available to work full-time.

I would welcome the opportunity to bring my reliability and people skills to the **[Company Name]** team. Thank you for considering my application — I look forward to the opportunity to discuss this role further.

Kind regards,

Passang Tamang
