Hiring Manager
Marriott International
Melbourne, VIC

Dear Hiring Manager,

I am writing to apply for the Club Lounge Attendant position at Marriott International in Melbourne. I have hands-on hospitality experience delivering high-standard guest service, including independently running a venue's full daily operations — opening/closing, stock, cash handling, and customer service — which has built the communication and problem-solving skills a guest-facing lounge role calls for.

At El Giza Bar and Restaurant, I prepared drinks and food, served alcohol responsibly, and delivered customer service in a fast-paced setting while maintaining hygiene and presentation standards. Running the Shisha Lounge in Footscray, I managed the venue day-to-day on my own, handled cash and stock, and built a strong repeat customer base through consistent, attentive service — the same qualities a Club Lounge guest expects.

I hold a current RSA, Food Safety/Handling Certificate, First Aid Certificate, and National Police Check, and I am available to work full-time. I would welcome the opportunity to bring my hospitality background and genuine enthusiasm for guest service to the Marriott team.

Thank you for considering my application. I look forward to the opportunity to discuss this role further.

Kind regards,
Passang Tamang
