EXPERIENCE

Ozb Group (RMA) June 2023 – April 2025

Technical Support Associate — Cheltenham, VIC

- Provided first-line technical support via phone and in person, troubleshooting hardware, software, and connectivity issues for a diverse user base
- Set up and configured devices, user accounts, and software across a range of Windows-based systems
- Logged all support requests with accurate, auditable records and managed cases through to resolution in line with service timelines
- Escalated complex issues to senior staff with full documentation, maintaining ownership and following up until closure
- Communicated technical information clearly to non-technical users, ensuring they felt supported and informed at every step
- Trained and onboarded new staff on technical systems, workflows, and service standards

TradeFlex July 2023 – Present

Office Cleaner — Melbourne, VIC

- Maintained office environments to health and safety standards over a 2+ year period, demonstrating consistent reliability and self-management

Carter Lovett / La Valle September 2024 – Present

Customer Service Roles — Melbourne, VIC

- Delivered professional customer service in fast-paced team environments, managing competing priorities under pressure

EDUCATION
