PROFESSIONAL SUMMARY

IT support professional completing a Bachelor of Cybersecurity at Melbourne Institute of Technology (graduating July 2026), with two years of hands-on technical support experience. Skilled in Level 1-2 incident resolution, service desk case management, and communicating clearly with non-technical users. Brings a strong understanding of operational security principles and a genuine commitment to accuracy, accountability, and service quality - values that align directly with VAGO's mission of promoting transparency and integrity in the public sector.

CORE COMPETENCIES

Level 1-2 ICT Support	Incident & Service Request Management	Service Desk Ticketing (Zendesk/equivalent)	
User Onboarding & Offboarding	Asset & Inventory Coordination	Windows 10/11 & Microsoft 365	Operational Security Practices
Vulnerability Awareness	Documentation & Audit Trails	Stakeholder Communication	

EXPERIENCE

Ozb Group (RMA) June 2023 - April 2025

Technical Support Associate — Cheltenham, VIC

- Provided Level 1 technical support via phone and in person, triaging, troubleshooting and resolving hardware and software incidents for customers
- Logged all support cases with accurate, auditable records - ensuring compliance with service policies and full traceability of actions taken
- Managed end-to-end resolution of service requests, escalating complex issues to senior staff with clear documentation and context
- Coordinated returns and product exchanges, maintaining accurate inventory records and ensuring compliance with operational processes
- Trained and onboarded new staff on technical systems, processes and customer service standards
- Identified process gaps and collaborated with the team to develop and implement improvements

TradeFlex July 2023 - Present

Office Support — Melbourne, VIC

- Self-managed responsibilities with consistent reliability, punctuality and attention to workplace standards

Carter Lovett / La Valle September 2024 - Present

Customer Service Roles — Melbourne, VIC

- Delivered professional, empathetic customer service in fast-paced environments, managing multiple priorities under pressure
