EXPERIENCE

Ozb Group (RMA) June 2023 – April 2025

Technical Support Associate — Cheltenham, VIC

- Delivered first-line technical support via phone and in person, diagnosing and resolving hardware, software, and connectivity incidents for a diverse customer base
- Accurately logged and managed all support cases within the ticketing system, ensuring full traceability and timely resolution
- Performed password resets, user account administration, and device troubleshooting across Windows-based systems
- Escalated complex incidents to senior staff with clear documentation, maintaining ownership and following up to confirmed resolution
- Communicated technical information clearly and patiently to non-technical users, prioritising their comfort and understanding throughout
- Trained and onboarded new staff on technical systems, processes, and customer service standards

TradeFlex July 2023 – Present

Office Cleaner — Melbourne, VIC

- Maintained office environments to health and safety standards over a 2+ year period, demonstrating consistent reliability and self-management

Carter Lovett / La Valle September 2024 – Present

Customer Service Roles — Melbourne, VIC

- Delivered professional, empathetic customer service in fast-paced environments, managing multiple priorities under pressure

EDUCATION

Bachelor of Cybersecurity — Melbourne Institute of Technology June 2023 – July 2026 (expected)

Networking, Windows systems, Active Directory concepts, security fundamentals, incident response, risk management — planning to pursue CompTIA A+ and ITIL Foundation post-graduation
